

Institutional Review Board

Children's Assent Form Instructions and Template (Recommended Age s: 8 – 17 Years)

Assent from a child (greater than 8 years of age) should be sought to provide potential minor subjects with the information necessary for them to decide about participating in

Children's Assent Form

We are

[Insert the following if your project uses a survey] Remember, that our survey questions are only about what you think. There are no right or wrong answers because this is not a test.

You can ask questions about the study at any time. We will try to explain everything that is being done and why.

Signing this paper means that you have read this paper and it read to you and that you want to be in the study. If you don't want to be in the study, don't sign the paper. Remember, being in the study is up to you, and no one will be mad if you don't sign this paper or even if you change your mind later.
