

Pre-Pharmacy Course Requirements at Finlandia University

The pre-pharmacy requirements can be completed in a minimum of two years. Many applicants complete the prepharmacy requirements during the application process. All pre-pharmacy requirements must be completed with a grade of C- or better. Advanced Placement (AP) courses taken in high school may be used to fulfill pre-pharmacy requirements. All pre-pharmacy requirements must be completed before students start their first day of class in the PharmD program.

Finlandia University courses that fulfill CUW's requirements are listed concurrently. This is not the only path to successfully completing the prerequisite courses. Contact us with questions regarding course completion.

	CUW Requirement	Minimum Credits	Department #	Finlandia University Course Name
Core Courses	Biology I (w/Lab)	4	BIO 111	Biology: Essentials for Life (4 cr.)
