

LinkedIn Connection Request Message

Create a personal request message when requesting to connect with someone that may be a 2nd or 3rd degree connection. This practice will give you a greater chance of connecting than using the LinkedIn default.

Personal Invitation Components:

û

û

û

s Here's a sample format you can use...

Dear Mr. Smith,

Thank you,

Joe Student

Dear Ms. Jones,

Thank you,

s More introductory examples...
